

# RJ MITCHELL LECTURE

**ROYAL  
AERONAUTICAL  
SOCIETY**  
SOLENT BRANCH

**UNIVERSITY OF SOUTHAMPTON / MONDAY 4TH MARCH**

## The Future's Bright The Future's Autonomous

Globe © NASA. Other Images © Thales. All rights reserved

**Dr Alvin Wilby**  
VP, Research, Technical & Innovation  
Thales UK

The autonomous revolution is being empowered by many technologies and becoming a reality through the efforts of visionaries in companies from the smallest to the largest. Thales are at the centre of those technologies and Dr Wilby will present how the vision of his team and the technologies they are developing are driving our future in all domains, including aerospace.

### VENUE

Turner Sims Southampton  
Highfield Campus  
University of Southampton  
Southampton, SO17 1BJ

**18:00** - Drinks reception  
**19:00** - Lecture starts
